FIG. 2

10

A screenshot of a software window titled '10'. The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main area contains three input fields: 'Main File Name', 'Package File Name', and 'Package File Output Destination'. To the right of the 'Main File Name' field is a button labeled 'Reference'. Below these fields is a large button labeled 'Execute Packaging'.

FIG. 3

11

A screenshot of a software window titled '11'. The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main area is divided into two panes. The left pane shows a hierarchical tree structure of folders. The right pane shows a list of files and folders, each represented by an icon and a name followed by a series of dots. A vertical scrollbar is on the right side of the right pane. At the bottom right of the window is a button labeled 'Select'.
